▼ BAKERY

We select our ingredients with the same care we put into our coffee. Our flour comes from Mulino Sobrino, organic since 1993. The butter is centrifuged–French in style, but made with milk from Italian alpine pastures–sourced from Giovale farm, part of Beppe e i Suoi Formaggi.

Our artisanal production ranges from sweet to savory, from croissants to sandwiches: below are just some of our best-sellers. Ask our team to discover today's full selection or to get a recommendation–our staff will be happy to help.

Inside every can of Tesseract, there's a journey.
We start with Senhor Niquino, our Brazilian ALIENA coffee:
a smooth natural, with notes of hazelnut, cocoa, and yellow stone fruit.
We cold brew it using Hard Tank technology,
for a clean, stable, and intensely aromatic drink.

It's not just a can — it's a portal.
Open it. Drink. Slow down.
Or speed up.
Depends on which universe you're from.
